THE COLVIN CLEANING GROUP

- COMMERCIAL CLEANING AT ITS BEST

Gerald Colvin, Managing Director

INTRODUCTION

Founded in 1986 we have grown to be an established service throughout the south, offering a comprehensive range of **professional** cleaning services to the private and public sector.

Whether you require one cleaner at a single location, or a team of cleaners at various locations, The Colvin Cleaning Group can provide tailored individual solutions for your business and budget requirements.

We pride ourselves on providing a **reliable** and efficient cleaning service at competitive rates, with highly trained, **trustworthy** and security conscious staff.

Our company and our staff has a wealth of experience in the cleaning industry, so our clients can be assured that all aspects of their service will be handled with the utmost professionalism and

COMMUNICATION

We understand the importance of good communication, demonstrating our **commitment** by providing regular management visits to our clients' premises.

Local help desks mean that we are always only a telephone call away.

All our clients have a dedicated manager to ensure the delivery of a high **quality** service.

QUALITY CONTROL IN MAINTAINING STANDARDS

We are committed to providing a high quality service which is consistently checked to ensure standards are maintained.

- In house cleaning Auditing Team - designated to monitor our cleaners' performance.
- Extensive cleaning inspections and frequent spot checks.
- Regular courtesy visits to clients.

OUR SERVICE

A safe and clean environment is a must for any business.

Good quality cleaning will eradicate poor hygiene practices, protect and motivate employees, creating the right impression for your customers.

We offer a complete managed service for a fixed budget price to include the provision of trained cleaners, using superior cleaning equipment and cleaning products. All fully insured.

With a trained network of staff we are fully experienced and responsive to new demands and are ideally placed to provide your organisation with a quality service from the start.

Our management team has a wealth of experience in organising and managing cleaning services local to your area. With increasing changes in legislation clients can be confident and reassured that all aspects of their service will be professionally managed.

Commercial cleaning at its best.

QUALITY PRODUCTS

In order for our staff to achieve the highest standards it is important they are provided with the best products for their cleaning task.

Our cleaning products are quality brand materials and we do not compromise hygiene standards for the sake of cheaper and less effective materials. We undertake, whenever possible, to use cleaning materials which do less harm to our **environment**, including non toxic, phosphate free and biodegradable products.

TOP OF THE RANGE EQUIPMENT

We provide new commercial equipment from the commencement of service, renewing every 24 months to ensure our staff are supported by reliable, safe and efficient equipment.

With continual developments in machine technology The Colvin Cleaning Group continually invest in new equipment to achieve high productivity and service quality.

JANITORIAL SUPPLIES

A full range of janitorial supplies is available at competitive prices to offer our clients the optional service to supply consumable products.

Items such as toilet rolls, hand towels, soaps and refuse sacks are some of the many products we have available for immediate delivery from our stock.

Our staff can be of assistance to our clients by monitoring stock levels to ensure you are never over stocked or run short of those essential supplies.

We also provide for hire or purchase washroom items such as roller towels, hygiene bins and many more products, see Principal Services.
